

2022 KNOWLEDGE-BASED HOME-STUDY CE FOR PHARMACISTS AND PHARMACY TECHNICIANS

Best Practices for Controlled Substance Diversion Prevention

Speaker: Amisha Arya, PharmD, BCSCP, Director of Pharmacy, Regulatory and Compliance, NYU Langone Health, New York, NY

Learning Objectives

Upon completion of this CE activity, the participant will be able to do the following:

- Describe the need for a drug diversion surveillance and response process for healthcare institutions.
- Explain the various steps that institutions can take for oversight and action to mitigate controlled substance diversion.
- Describe opioid-sparing approaches and treatment options for pain management in specific clinical settings.

Accreditation Information:

ACPE UAN: 0122-0000-22-040-H04-P/T

CPE Credit Hours: 1.0 hour (0.1 CEU) of home-study CE credit

Release Date: August 22, 2022

Expiration Date: August 22, 2025

Disclosure: Dr. Arya, the moderator and CE planners of this activity have no relevant financial relationship(s) with ineligible companies to declare.

Sponsorship: This program is conducted solely by Premier and has no commercial or non-commercial support or sponsorship.

How to obtain CE credit:

1. Log on to <https://ce.pharmacy.acurity.com> to register for the activity under “Home Study CE”
2. View and listen to the recorded activity
3. Complete both the learning assessment questions and the activity evaluation.

Note: A passing grade of 75% or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Once all steps above are completed, participation will be provided to CPE Monitor.

Acurity, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Acurity/Premier health-system pharmacy staff.

For any questions regarding the CE activity, please contact Liz Shlom at eshlom@acurity.com.
