

2022 KNOWLEDGE-BASED HOME-STUDY CE FOR PHARMACISTS AND PHARMACY TECHNICIANS

Managing Acute Pain in Opioid Use Disorder

Speaker: Lee Kral, PharmD, CPE, Clinical Assistant Professor of Anesthesia, Clinical Pharmacy Specialist, Pain Management Clinic, University of Iowa Hospitals & Clinics, Iowa City, IA

Learning Objectives

Upon completion of this CE activity, the participant will be able to do the following:

- Compare and contrast medications used in opioid use disorder (OUD)
- Discuss state and federal laws pertaining to use of OUD medications in the acute care setting
- Describe a plan for managing acute surgical pain in a patient with OUD
- Describe a plan for managing acute non-surgical pain in a patient with OUD

Accreditation Information:

ACPE UAN: 0122-0000-22-061-H08-P/T (Pain Management)

CPE Credit Hours: 1.0 hour (0.1 CEU) of home-study CE credit

Release Date: November 14, 2022

Expiration Date: November 14, 2025

Disclosure: Dr. Kral and the CE activity planners for this activity have no relevant financial relationships with ineligible companies to disclose.

Sponsorship: This program is conducted solely by Premier and has no commercial or non-commercial support or sponsorship.

How to obtain CE credit:

1. Log on to <https://ce.pharmacy.premierinc.com> to register for the activity under "Home Study CE"
2. View and listen to the recorded activity
3. Complete both the learning assessment questions and the activity evaluation.

Note: A passing grade of 75% or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test.

Once all steps above are completed, participation will be provided to CPE Monitor.

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier health-system pharmacy staff.
