

## 2023 KNOWLEDGE-BASED HOME-STUDY CE FOR PHARMACISTS AND PHARMACY TECHNICIANS

### Thrombolytics for Acute Ischemic Stroke: Have we Found the Right (Tenecte)Plase in Therapy?

**Speaker:** Karen Berger, PharmD, FASHP, FCCM, BCPS, BCCCP, Assistant Professor, Department of Pharmacy Practice, Nova Southeastern University, Davie, FL

#### Learning Objectives

Upon completion of this CE activity, the Pharmacist will be able to do the following:

- Describe the pharmacologic management of ischemic stroke
- Compare and contrast thrombolytics for the management of acute ischemic stroke
- Discuss recent articles and the potential place in therapy of tenecteplase for acute ischemic stroke
- Discuss key challenges in the implementation of tenecteplase for stroke management

Upon completion of this CE activity, the Pharmacy Technician will be able to do the following:

- List medications that are indicated for the management of ischemic stroke
- Recognize the different thrombolytics used for the treatment of acute ischemic stroke
- Identify appropriate preparation of thrombolytics for acute ischemic stroke
- Discuss key challenges in the implementation of tenecteplase for stroke management

#### **Accreditation Information:**

**ACPE UAN:** 0122-0000-23-024-H01-P/T

**CPE Credit Hours:** 1.0 hour (0.1 CEU) of home-study CE credit

**Release Date:** February 13, 2023

**Expiration Date:** February 13, 2026

**Disclosures:** Dr. Berger, the moderators and planners for this activity do not have relevant financial relationships to disclose with ineligible companies.

**Sponsorship:** This program is conducted solely by Premier and has no commercial or non-commercial support or sponsorship.

[Click here](#) to view CE webinar system requirements for the learner to complete the online activity, including the internet browser(s) supported and minimum versions of each, and the minimum memory, storage, processor, and internet.

#### **How to obtain CE credit:**

1. Log on to <https://ce.pharmacy.premierinc.com> to register for the activity under "Home Study CE"
2. View and listen to the recorded activity
3. Complete both the learning assessment questions and the activity evaluation.

**Note:** A passing grade of 60% or better is required to receive CE credit. Three opportunities will be provided to successfully complete the post-test. Once all steps above are completed, participation will be provided to CPE Monitor.

Premier, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This CE activity is provided as a free, value-added service to Premier health-system pharmacy staff.

For any questions regarding the CE activity, please contact [Jerry Frazier](#).
